

We're reducing our administration fee

Significant Event Notice

Lower administration fee from 1 April 2020

As part of our continued focus to provide you with great ethical investments, we're reducing the percentage-based administration fee on all of our superannuation and pension products from 0.41% to 0.29% per annum effective **1 April 2020**.

These fee reductions are part of our continued effort to make your super or pension as cost effective as possible when investing for your future — while growing the good for the planet, people and animals.
